## GRAMMAR

### Today's Target Kanji: 言

#### On-, Kun-yomi

|            |                    |
|------------|--------------------|
| On-yomi    | <i>gen, gon</i>    |
| Kun - yomi | <i>i - u, koto</i> |
| Meaning    | say, a word        |

#### Memorization Hint

"一": means "one"

Imagine four "single" sound waves coming out of someones mouth as they "say" something.
